Introducing the IGNITE App

The Ignite app makes it easy to stay connected with your Rotary club — RSVP to events, log service hours, and network with fellow Rotarians all in one place. Follow these steps to get started.

1

Download from the App Store

Search Rotary Ignite in the App Store and install the free app on your iPhone or Android device.

2

Log in

Your username and password are the same as DACdb — no new account needed.

3

RSVP to club or district events

Keep up to date with upcoming club and district events. RSVP or register right from the app.

4

Track your service hours

Log and manage your volunteer hours to keep an accurate record of your service contributions.

5

Connect with other Rotarians

Discover and network with members across your club and the wider District 7600 community.

Refer prospective members

Use the app to invite friends and colleagues to explore Rotary membership and grow our community.

Helpful tips

- Available on iOS (App Store) and Android (Google Play) – search Rotary Ignite.
- Your DACdb login works immediately – no password reset needed.
- If your phone has biometric capability, use it to sign in.
- Contact your club administrator or secretary if you need help accessing DACdb.
